Mr. Thomas K. Latimer, Staff Director  
Permanent Select Committee on Intelligence  
House of Representatives  
Washington, D.C. 20515

Dear Tom:

Enclosed is the 1970 Agency memorandum you requested regarding an [redacted] effort. I am sorry for the delay in providing it; as mentioned to you previously, the document is one of interest to the Justice Department, in connection with a possible criminal prosecution. This necessitated our coordination on release of the document with Justice.

Two deletions have been made. The name of a foreign national unrelated to the [redacted] campaign, and the name of the CIA author of the memorandum have been removed. In addition, the real name of a former [redacted] official has been substituted for an Agency cryptonym. It is believed these changes will not in any way impair the Committee's understanding of the document. The changes do not alter the Secret/Sensitive classification of the memorandum.

Sincerely,

[redacted signature]

Acting Legislative Counsel
